

High Fashion Make-up Trends

Course Outline

Course length: 35 hours

Learn the techniques employed by professional make-up artists working in advertising and editorial. In this course, students will learn how to work on set, design make-ups that can be used in fashion or editorial, and learn what a professional photographer requires to create imagery that stands out from the rest. Students will also develop an eye for make-up and learn what to look out for in their own pictures.
